THE RED HEADED LAWYER

Preparing for the End of your Marriage!

To help you prepare for your initial consultation at The Essex Law Firm, we put together a checklist of items to help you get started. We don't require everything up front at the first meeting, and some items you may have to gather together and send to us later. If you are unsure about what items to bring exactly, bring this document with you, along with whatever you may already have, and we can help you get started.
